PRESIDENT'S REPORT

Dear Members,

Welcome to 2010 and once again it is shaping up to be an eventful year.

Last year we ended our successful social calendar with an extremely popular Megisti Club function. Once again a heartfelt thank you to Christine Dimer and Cynthia Koustoukis on their continued efforts in making these events both popular and enjoyable.

I would now like to take this opportunity to announce and congratulate Nicholas G. Pappas on being awarded the 2010 Kastellorizian of the Year award. After reading Nicholas's CV, you will appreciate that he is a most worthy recipient of this award. I look forward to presenting Nicholas with his plaque.

Also I would like to invite our youth who have completed their VCE award to join us in our celebrations and accept their award in recognition of their VCE achievement.

The awards presentation will take place after church service held at St Constantine and St Helen's Greek Orthodox Church, Barry St, South Yarra, at our clubrooms on St Constantine and St Helen's Day luncheon on the 21st of May

Moving on to some administrative matters, there appears to be some confusion regarding membership fees. To clarify the situation all persons and spouses of Kastellorizians and their descendents between the age of 18 and 65 must each pay an annual \$10 membership fee to be a financial member with voting rights. To be eligible to be a non-fee paying member (over 65s) with voting rights you must have been a financial member for 3 years prior to receiving the non-fee paying status. Also non-fee paying members must register each year to keep their voting status. If you require further information you can refer to the newly modified "Rules of the Association" or contact myself or a committee member. Membership information can also be located on page 8.

I would also like to remind everyone that this year is an election year and to be eligible to vote or participate on the committee you must be a financial or a registered non-fee paying member.

PRESIDENT'S REPORT

Diane and I attended the Ithacan Philanthropic Society's annual Ball held at Leonda Reception. The President, Mr. Nick Varigos presented to the Kastellorizian Association of Victoria, two laminated photo prints from the late Stathi Raftopoulos's collection, one was of the old "Leski" in Lonsdale St. In acceptance of these gifts, I mentioned how over many years, our both Associations have a most cordial and respectful relationship.

As this year is the 85th year of our Association, we will celebrate by holding a dinner dance at the Kooyong Tennis centre. I would like to advise members to book early as places are limited to 250, so for further information please refer to page 5.

I look forward to seeing you and your families throughout 2010 and I hope that you will continue to support the Kastellorizian Association of Victoria in its 85th year and beyond.

Your Sincerely

Michael Spartels.

ANNOUNCEMENTS

Kastellorizian Association of Victoria

Kastellorizian of 2010

It is great pleasure that the Kastellorizian Association of Victoria announces that the 2010 Kastellorizian of the Year is award to Mr. Nicholas G. Pappas from Sydney. Many members will know Nicholas either through one of his many books on Kastellorizo, his web site, [kastellorizohistory](http://kastellorizohistory.com) or from the article in the "cool to be Kazzie" section (November 2007) in our very own Kazzie News.

For those of you who don't know of Nicholas achievement's, read his following CV and I am sure you will agree with the selection committee that Nicholas is worth of the title, Kastellorizian of the year, 2010.

Nicholas Pappas is of Kastellorizian descent as his parents were born on Kastellorizo. Nicholas was born in Sydney in 1961 and obtained his law degree at the University of NSW and began practicing in 1994. In 1996 he established his own law firm Nicholas G Pappas & Company. Nicholas has also completed a PhD on Economic History from the University of Sydney. Nicholas is married to Helene, a lawyer, and they have twins, George & Marina.

Nicholas has two passions. The first is NRL football, primarily the Rabbitos and secondly Kastellorizian History. Nicholas has had a long standing association with the Rabbitos. He was the Club's legal adviser in its battle for reinstatement to the NRL after its exclusion from the competition in 1999. In 2003, he became chairman and, in 2006, he supported and oversaw the Rabbitos's partial privatisation by Russell Crowe and Peter Holmes a Court.

All Kastellorizians have benefited from Nicolas interest in Kastellorizian History through his many books and publications as well as his website, [www.kastellorizohistory](http://www.kastellorizohistory.com)

On a professional level, Nicholas can add the following to his ever increasing list of credentials
Chairman, Laiki Bank Australia (since 2006)
(Director since 2001)

- President, Board of Trustees, Powerhouse Museum, Sydney (The Museum of Applied Arts and Sciences) (since 2003, Trustee since 1999)

- Chairman, South Sydney District Rugby League Football Club Limited (the Rabbitohs)
- Governor, The Steve Waugh Foundation - Australia
- Secretary, Archdiocesan Council, & Trustee, Greek Orthodox Archdiocese of Australia Consolidated Trust

Nicholas's publication list is as follows:

- *Kastellorizo: An Illustrated History of the Island & its Conquerors*, Halstead Press, 1994
- *Embers on the Sea: The Empire Patrol Disaster*, 1945, Halstead Press, 1995
- *Near Eastern Dreams: The French Occupation of Kastellorizo, 1915-1921*, Halstead Press, 2002
- *An Island in Time: Kastellorizo in Photographs, 1890-1948*, Halstead Press, 2010 (forthcoming, with Nick Bogiatzis)
- *Various* articles in academic journals and other publications on European history, the Law and *rebetika*.

With such a varied CV, we all look forward hearing more about Nicholas on Sunday the 21st of May.

Kastellorizian VCE Recognition Awards, 2010

Once again it is great pleasure that we celebrate the achievements of our youth and recognise their VCE achievements. This year, **Karissa Kostoglou**, **Cassandra Zervos** and **Nicholas Paltoglou** will be presented with the Kastellorizian VCE recognition award.

The Kastellorizian Association of Victoria would like to thank those members who placed nominations for the Kastellorizian of the Year.

Seven nominations were received. Unfortunately this year we did not receive any nominations for a Victorian Kastellorizian and more disappointingly we did not receive any nominations for the Kastellorizian Youth Achievement award, so no KYAA will be presented this year.

Also this was the first year that we officially invited each of the other state run Kastellorizian Associations to nominate a candidate for Kastellorizian of the Year. The selection committee was extremely disappointed as they did not receive a nomination or an acknowledgment of the invitation to participate from any of the other state run Kastellorizian Associations.

by Dianne Spartels

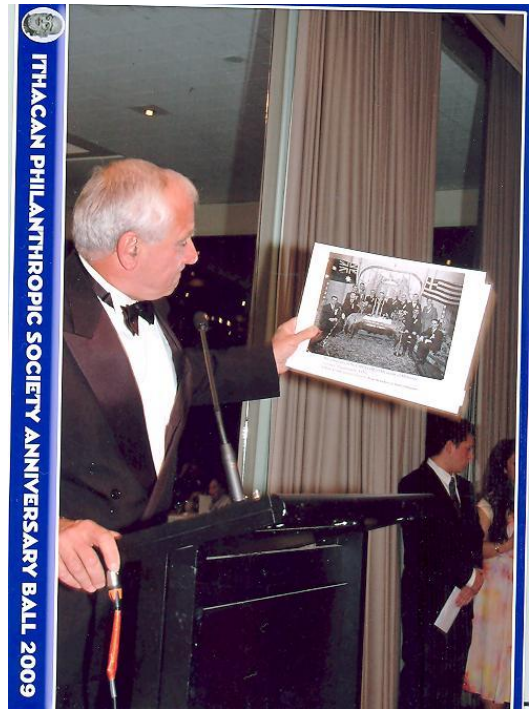

Last year, Michael and Diane represented the Kastellorizian Association of Victoria at the annual Ithacan Philanthropic Society Anniversary Ball. The function was held at Leonda Receptions Hawthorn.

Katoumaria Day Report

By Evelyn Salvaris

On Sunday 13th of September The Kastellorizian Association of Victoria held a Katoumaria demonstration to demystify the process of making Katoumaria and to pass down the traditions and recipes to the younger generation.

Katoumaria as we all know, is a sweet specialty of Kastellorizo. It is made to celebrate the happy occasions for example “logos”, engagements, weddings and births. The process of making Katoumaria is a time consuming process that that requires a lot technical skill. Both the technique and the recipes are shrouded in mystic and secrecy and are often passed on to the next generation from mother to daughter or daughter-in-law.

In a “MasterChef” style “pressure test”, Connie Gregory and Evelyn Salvaris both demonstrated their skills and shared their family recipes with about 30 members of the Association.

Connie demonstrated her skills using the traditional method, kneading by hand. Evelyn took on a more modern approach using modern kitchen appliances. Melbourne Katoumaria expert, Vera Constance, then examined the Katoumaria for the Chefs authenticity, the flakiness and appearance and taste of the Katoumaria. Vera judge harshly, disapproving of the modern techniques and announced that the traditional method produced the best Katoumaria.

Everyone who attended enjoyed the Katoumaria irrespective of how they were made.

Megiste Club by Cynthia Koutsoukis

The Megiste Club presenting the “Kalanda” Xmas 2009

On 26 July 2009 it started with “Singing is good for the Soul”, a function where the Megiste Koukles were launched.

And sing with soul they did, the traditional Kastellorizian songs. As well as for enjoyment, it was seen as a way of keeping the songs alive for future generations. This led to the idea to perform the “Kalanda”, the Christmas carols.

An afternoon Christmas party was held on Sunday 13 December 2009 presenting our Megiste Koukles who entertained the 100 strong audience with a collection of Kalanda. The songs were sung in Greek and English. The first song “The Little Drummer Boy” was given a traditional touch with Katherine Gekas playing the introduction on her drum. The rest of the repertoire was sung with great passion and brought back memories of bygone times when the young went visiting Kastellorizian homes to sing The Kalanda. The practice was common amongst other Greek communities and also the Greek Scouts and Greek Girl Guides. The singing ended with a beautiful song about Kastellorizo called “Ta Galana Tou Aegeou Nera” and everyone joined in. There was a delicious afternoon tea with champagne and fantastic Christmas hampers which were raffled off.

Special thanks go to our Megisti Koukles comprising of Eleni Amantas, Christina Christofas, Christine Dimer, Gina Gekas, Michelle Hondros, Cynthia Koutsoukis, Flora Pearce, Irene Vassiliadis and Eve Verginis who all put in many hours rehearsing and learning the songs and also to Katherine Gekas for the drum and keyboards.

Many thanks to all our supporters who helped to make this a memorable occasion and which we hope to repeat at the end of the year.

Kastellorizian Association of Vic General Reports

Membership Report by John Karis and Sandra Varvodic

As of 15th March 2010, the Kastellorizian Association has 364 recorded entries on its mailing list. Figure 1 shows the percentage of members on our mailing list. A total of 223 members are eligible to vote on any issues that will be raised at the 2010 AGM. This represents 61% and includes fee-paying and non-fee paying or former "honorary" members.

This percentage has increased significantly since last year due to list revision as a result of out-dated address details and 'non-Kazzie' registrations. It is also been impacted by a concerted effort to ensure members renew registrations based upon the fiscal year Jul 09 to June 10 and the new rate of \$10 per person which was introduced to simplify the process.

The reduction in the size of the mailing list has also meant that we can reduce some costs associated with mailing out the Newsletters and other correspondence. Due to the nature of the membership demographics the majority of people prefer a copy to be mailed to their home address.

It would, therefore, be a great assistance if you could provide an email address, either your own or a family member, to which we can email the Newsletter and all other information throughout the year. This will reduce our postage and administration costs plus enable us to provide a more modern Newsletter which can be viewed in colour and contain additional information in a 'link' format. That is, you can assess this additional information if and as required.

Remember: If you are not registered as a paid-up member or not paid your subscription for the 1st July 09 to 30th June 10 please do so immediately as the next financial year subscription is due soon. If you are uncertain as to your membership status please contact John Karis on 0412 662 079.

Calendar Competition Report

By Evelyn Salvaris

For the first time, the Kastellorizian Association of Victoria held a photographic competition. The theme was "modern day scenes of Kastellorizo". The winning photographs were then selected to produce our first Calendar.

The winners of the calendar competition were: Lisa Caripis (Youth Prize), George Katris (Open Prize) and Anastasia Redlich (Overall and Cover Prize).

The Kastellorizian Association of Victoria is proud to inform members that Calendars were a great success with sales of over 150 calendar, including sales from interstate and the US.

Website Report by John Karis

It continues to be a challenge to work towards making www.kastellorizo.com.au a major website for information and news of Kastellorizian nature. The main audience is Australia and Australian Greeks, however, we still receive strong interest from overseas.

The challenge has been to continue to maintain our presence on search engines such as Google in an endeavour to achieve the highest possible rankings. This has involved the following strategies:

Search Engine Optimization Marketing

This is basically how we can improve our Google/Yahoo etc rankings so that we are listed first or near the top of the list when visitors search for 'Kastellorizo' or 'Castellorizo' or 'Megiste' or 'Megisti' or 'Greek Orthodox calendars' or 'Greek Name Days', 'Kazzie immigration' and so on ... It's what you key into the search criteria that uses this to find websites showing relevant information. However, this is only one aspect as there are important considerations such as having relevant information on the website which represents what the visitor expects to see. So, good content is also critical.

Megiste page

We found that searches on "Megiste" did not bring up our website at all so we added a special page devoted to 'Megiste'. This means that now when you search on 'Kastellorizo Megiste', for example, our website appears first on Google searches when previously we didn't rate at all.

Blog

In keeping with 'social networking' proliferation we have also added a BLOG page to the website so that visitors can post information about a subject and invite others to respond.

Facebook

There is an opportunity here to 'tap' into other groups and demographics who may not visit our website or be aware of its existence. We are aware that there is a 'Kastellorizians around the Globe' Facebook group which has 690 odd members so I became a member of this group in order that I could ensure they were aware of us in an attempt to 'drag' them to our website. This is an opportunity to also advise them of the Genealogy section which appears to be a common conversational topic within this Facebook group.

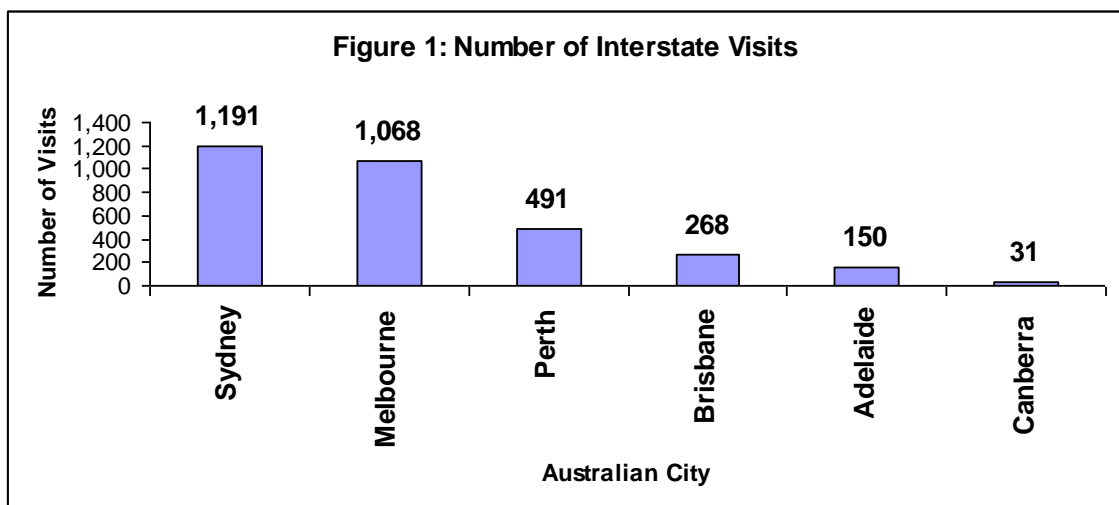

Website Statistics for the period 1st July 09 to 12th March 2010

Visitors

The website has received a total of 4,583 visits from July 1 to the present. The most visitors to the website is from Australia with 3,295 visits followed by the US, UK, Greece and Italy with 255, 193, 165 and 78 visits all other countries have less than 70 visit/country

Country Usage

Country Usage continued.

Most popular pages visited – these results are fairly consistent however it is interesting that the new Megiste page, which was introduced in Dec 2009, has quickly moved up the rankings, indicating its popularity

Newsletter

By now you would have had a chance to flick through your newsletter and you would have noticed some major changes. It is more concise and a number of the features are not included.

You may ask why has the newsletter has taken on this format?

If you attended last year's AGM, you would be a wear that there was great debate about the outgoing costs of the newsletter in 2008-2009.

Last year's AGM Report compared the newsletter expenses for 2008-2009 with 2007-08. The **2008-09 expenditure appeared to be greatly increased**. However the value quoted in the AGM Report for the 2008-09 expenditure headed "newsletter" was the **total cost of the printing for 2008-09 and not just the newsletter expenses**. It should be noted that these costs included the expenditure of all flyers, the Art Exhibition invitations and catalogues, the AGM Report etc as well as the newsletter. When the breakdown of the costs was explained to the members, the explanation was ignored. The members concluded that cost of the newsletter was too high and over budget and must be reduced.

It is difficult to understand how the newsletter expenses could have exceeded the budget when a newsletter budget has never issued by the committee, despite the subject being raised on a number of occasions.

It is also amazing that the members present at the AGM cannot justify spending the money on the newsletter or understand the importance of this document especially when:

1. The Newsletter has received national and international acclaim from other Kastellorizian Associations.
2. Has generated interest amongst, and received many good comments from the younger members of our community.
3. Provides a valuable and extensive source of information for the Website
4. And is a means of documenting our history (past and present), customs and traditions for future generations

So how can the cost be reduced?

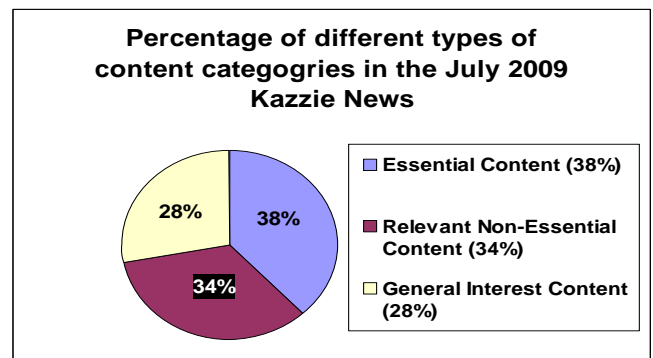

The **first** way to abide by the decision made at the AGM, is to act on the second criticism received from some members and that is that the "newsletter is too long!" and not all of the content of interest (to them). Please note the first criticism is the costs.

But what should be removed?

To answer this, a brief analysis indicates that the newsletter content can be divided into to 3 categories:

1. **Essential Content** – Announcements and reports of the activities of the Kastellorizian Association of Victoria.
2. **Relevant but not essential Content** – this includes website report, Affiliated Associations functions and reports, News from Kastellorizo and Social announcements
3. **General interest** – History, Customs and traditions, Proverbs and sayings, Cool to be Kazzie, Kazzie Kerasma, Lost and Found, photos and the Cover.

The graph below illustrates the breakdown of proportions of Essential, Related Non-Essential and General Interest Content that appeared in the last of the Kazzie New in July 2009 (32 pages).

Each category is essential for making the "Kazzie News" a high quality newsletter and it is with **great disappointment** that the **General Interest Content will no longer appear**.

Also commencing with this edition, the **Relevant Non-Essential Content will be reduced/highly edited**.

In doing so, the content of this edition of the newsletter has been reduced by 37.5%, compared to July 2009. This reduction is at the expense of quality.

In the next edition, the **second** approach will be introduced to **further cut costs**, by **restricting the photographic content** submitted to **1 to 2 photographs per submission**.

And **thirdly**, the **mailing list will be reviewed**, yet again, to further reduced the number of copies printed and mailed out.

If you believe that the quality of the newsletter has been **comprised for the "sake of a few dollars"** or you **disagree with this new format** or the decisions taken to reduce the costs of the Kazzie News, **please formalise your disapproval in writing** to the committee at **The Kastellorizian Association of Victoria, PO Box 112, South Melbourne, 3205** or email to evelynsalvaris@gmail.com

Your response is keenly awaited!

If you can help out, please contact the Australian Friends of Kastellorizo via Marilyn Tselikas

Who will all coordinate and pass on all donations to the Liaison Officer who lives on the island, Irina Karavelatzis to buy the items on Rhodes.

We already have one second hand laptop donated.

If your association or any of your members can help, please contact Marilyn who will coordinate the Australian donations.

To assist you with your donation a letter in Greek from the school outlines the items which are required by the school and include a First Aid Kit, children's books, bookshelves, science equipment, gym equipment, new class room chairs, white boards, plasma TVs, ladder, tool kit, photocopier, fridge, microwave benches, office chairs, etc. It is probably a more practical option to contribute with a monetary donation which can then contribute to one or more of these items.

For further enquiries on any one of these items or to assist with student accommodations please contact Marilyn as soon as possible at:

Happy Birthday

Nina Zographou's 85th Birthday.

A good time was had by all at the celebration of **Nina Zographou's** 85th birthday, started off at 11.00a.m. with nibbles and drinks, followed by a three course meal, with a well thought after speech given by her son **Vasso Zographou**, then other speeches made by other members of her family, including **Nick Lolatgis**, her older son.

Following the festivities at the birthday, followed on when Aunty Nina thanked everyone for attending, continuing on at the home of Nick and Anne Lolatgis, for coffee and cake and more speeches and the opening of the presents.

There were a multitude of guests, both family and friends, Vasso gave a few impressive anecdotes, which caused some amusement, and the grandchildren spoke of their impressions and stories of their grandmother/yia-yia.

It was a lovely day and thoroughly enjoyable. This was on her actual birthday which was the 15th August, 2009.

BROTHERS RETURN

My brother, Jim and I returned to our mother Christina's birthplace Kastellorizo, after driving throughout mainland Greece and the islands of Corfu, Lefkada, Crete and Rodos.

In Rodos we met up with our niece, Roslyn Calmer who was to experience Kastellorizo with us, for her first time.

We met for coffee with Maria Katris with her daughter Louise and I also met Prof Ernest Hondros and his wife. The next day we left Rodos by boat for Kastellorizo.

On entering the Kastellorizian harbour there was much excitement with crowds to greet us on the pier.

John Con Adgemis met us with his nephew, George Karayianis to take us to our apartment in George's boat.

Kastellorizo was a beautiful picture to see, in spite of the obvious changes, as it is on the move with new homes and some roads being built.

I met up with Kazzies from all over Australia, Anna (Pavlidis) Paull and son Colin (NSW), Barbara (Moraitis) Morris (NSW), Prof' Byron and Val Kakulas (WA), Bronwyn Paltoglou(Vic). Amy and her son Geoffrey Conaghan who is now Commissioner (for Australian Government) in India, Peter and Bianca Kaillis with daughter Candy (WA), Yvonne Kyriakou & Christina (Mangos) Mcauliffe (Vic), also Mr & Mrs Andronicus, Mr & Mrs Katsouri, Lisa daughter of Tom Penglis (NSW), Patricia Lambiropoulos (Mayor's Wife) and Kosta Mayafi the local "historian"

We left this unique beautiful Island with both wonderful memories yet sadness for leaving, but promise to return.

Just before leaving Athens for home we fortunately visited George and Maria Adgemis.

I'm so glad we made this trip. What great memories!
